This application is to be completed for a pup from unregistered parent/s; or from unknown origins who, as far as can be determined, meet the requirements of the Breed Standard. All applications will be submitted to the Management Committee for approval so an explanatory note must be provided as to why this application should be accepted. You will be advised of the outcome.

Instructions for completing this application

1. Please print all details clearly in block letters. No lines are to be left blank.
2. If the information is not known – write "NOT KNOWN" in the space provided.
3. If more information is known about this pup or its ancestry, please supply details on a separate page.
4. Please supply three (3) good quality photos of the pup, front view showing head markings, left hand side and right hand side showing markings. These photos will be retained permanently in the MFCA Registry.
5. Please also supply photos of the pup's parents.
6. Foundation pups must have been genetically tested with regard to Primary Lens Luxation (PLL) and the Genetic Analysis Report showing test results submitted as part of this application. Where both parents have been PLL tested Clear and both the dam & sire's Genetic Analysis Report showing PLL results have been sent to the Registrar, there is no requirement for PLL testing. Such progeny are "Clear by Parentage". If you need further information regarding PLL testing, please contact the Registrar.
7. The fee for Foundation Pup Recording is **\$10.00** and payment or payment details must accompany this form.

Declaration

I hereby apply for the recording of this pup as a Recorded Foundation Pup (RFP) with the Mini Foxie Club of Australia Inc. and certify that the information provided is correct to the best of my knowledge.
